12 guests and up to five crew, you'll learn the true meaning of self-indulgence when onboard.

Move down to the main deck and you'll find an interior that has been finished to the very highest standards. The main saloon is bright and spacious, features a lavish dining area and leads to the split-level, main deck stateroom complete with en suite, mood lighting and large hullside windows.

From bow to stern, cutting-edge technology and fine furnishings feature both inside and out. The foredeck is topped with sunpads and seating areas, while on the flybridge you'll find additional sunpads and a wetbar.

Beautifully styled, impeccably crafted, this outstanding motoryacht has plenty to offer and then some.
