Whether you're onboard for a short stay or a long break, six guests can unwind and appreciate the surroundings on this remarkable motoryacht.

The centrepiece is undoubtedly the flybridge. A practical, elegant space, both pilot and passenger can experience the pure enjoyment of cruising along in the open air.

Step onto the main deck and you'll discover high style and fine furnishings in abundance. The contemporary twin helm seats back onto a spacious main saloon with large seating area and separate dining space

Below deck, two double cabins plus one twin offers serene and elegant areas to relax in sublime style. An additional sunpad on the foredeck and hydraulic bathing platform to the stern, make the Manhattan 53 ideal for those looking to get away from it all.
